Enclosed: \$_____

Select pickup day (from 3-7PM)

- Tuesdays
 Fridays
 Either day works for me

I understand the risks and rewards that come with membership in the CSA. I understand that though the sustainable and diversified practices used by the farmers limit risks, I accept that unpredictable forces may result in inconsistent production and harvests. I also understand that I am joining the Rosasharn Farm community and as such it is expected that I will volunteer two hours of my time on the farm during the growing season.
